Fundamentals of Mathematics for Engineers
ENGR 2194
Lecture # 3
Example - Electrical Engineering

- Let’s finish the problem we started
- Also do the examples in the book on your own
Example - Materials Engineering

- $f = k \times x$
Homework

- Lecture:
  - Due Monday September 8
  - Rattan Textbook Problems 1-3, 1-14

- Recitation:
  - Be prepared to work on and turn in 1-11 and 1-25 during recitation
  - Due Thursday Sept 4 - Reflection 1 (See Carmen Dropbox)

- Lab:
  - Lab 1 due Tuesday September 9
