Fundamentals of Mathematics for Engineers

ENGR 2194
Lecture # 23
Announcements

- Midterm
  - Thursday November 6
  - Will cover Sinusoids through Derivatives

- Final Exam
  - Weds Dec 17 8:00-9:45am
  - Covers all material from semester

- Scheduling for Spring
Announcements

- Lecture
  - Derivatives in Mechanics of Materials
    - Strength of materials
    - Used heavily in Mechanical, Materials, Biomedical Engineering
Homework for the Week

- Lecture
  - Problems Worksheet, 8-10, 8-12, 8-22, 8-24, 8-28, 8-30 due Monday October 27

- Recitation
  - See Carmen

- Lab
  - See website
